Information about Professional services, Practices, Policies, and Patient's Bill of Rights

Welcome to Rutell Counseling Services L.L.C. This is an outpatient counseling facility that provides individual, group, couples and family therapy. Confidentiality is maintained in all services provided in accordance with Federal Regulations. Individuals are given information about professional services, practices, policies and patient's bill of rights for their reference. Your length of treatment will vary depending on the nature of the problems that bring you here for services, the pace that we work at during sessions, as well as your motivation and the resources available to you to get well. Each individual has a right to terminate treatment at anytime and for any reason. I am currently accepting new patients.

CANCELLATION AND NO SHOW POLICY:

A full session fee will be charged for all appointments cancelled with less than 24 hours notice. Because insurance does not pay for missed sessions, you will be billed for missed sessions if you are using insurance to pay for therapy. This policy is in effect unless we determine that you were not able to make your appointment or give sufficient notice due to circumstances beyond your control. No shows will be charged and billed to you at your regular session rate.

FEES:

You are expected to pay our agreed-upon fee or your insurance deductible/co-payment by cash, check or credit card at the time of each session, unless other arrangements have been made. The fees may be raised on a yearly basis, and that will be discussed with you prior to rate increase.

If you use your health insurance to help pay for your sessions, you are responsible for verifying and understanding the limits of your coverage, as well as any co-payments and deductibles. You are responsible for all service fees not covered by health insurance, all deductibles and co-payments. If, during the course of treatment, your insurance ceases to cover your sessions, you have the option of paying out-of-pocket to continue treatment with us. Counseling services will be placed on hold for any bills exceeding \$300.00. Counseling services will resume upon payment of outstanding bill.

We also offer a reduced fee scale that offers a reduced rate for therapy services based on income. Documentation of income must be provided to determine if you qualify for reduced rate sessions.

Fee schedule is as follows for the 2018 year:

90791 Initial Consultation: 50 Minutes	\$130.00
90837 Individual/Couples Counseling: 50 Minutes	\$120.00

If you cannot wait until your scheduled appointment please call to reschedule for an earlier appointment.
